Field of Membership Expansions Granted

The Director of the Division of Credit Unions has granted the request of Edison Credit Union, located in Kansas City, Missouri, to expand their field of membership to include employees of Nostrum Laboratories, Inc., totaling approximately 65 individuals.

Edison Credit Union has chosen the binding membership designation of a credit union serving common occupations, associations or employers, pursuant to RSMo 370.00 (2).

The most recent supervisory examination report has been reviewed.

The most recent National Credit Union Administration report (March 31, 2008) shows net worth percentage of 15.45%, with an adequate earnings performance with no material negative trends.

The Director has reviewed the member data report.

The Director has determined that the group requested is fewer than three thousand in number.

The application was received on June 4, 2008 and reported on the Division's electronic bulletin dated June 4, 2008.

No comments were received during the ten business day comment period.
